

Do you owe your energy supplier money?

There are steps you can take.

1. If you need help managing your debts, contact Citizens Advice
2. Speak to your energy supplier to discuss your options for paying your debts
3. Ask your energy supplier if they offer any support grants
4. Check if you are eligible for a grant from a charitable trust
5. Look for grants or support schemes run by your local council

To speak to a debt adviser call the Citizens Advice debt helpline on 0800 240 4420.

Lines are open 9-5 Monday-Friday.

Relay UK: dial 18001 followed by 0808 223 1133.
